

# CLARENCE AND VIRGINIA THOMAS BOUGHT BY BILLIONAIRES

**Virginia, Harlan, Clarence and David have been having a good laugh at our expense.  
How much longer will we let this go on?**

America's citizens have had it with people in power who violate the law. That includes Clarence Thomas who has used his position as a Supreme Court Justice to flout the law and enrich himself, his wife and their cronies through corrupt backroom deals with billionaires Harlan Crow, and Charles and David Koch.

OccupyForAccountability.org calls out Clarence Thomas as one of the corrupt pillars of our government for doing the bidding of his billionaire paymasters at the expense of the 99%.

- **Bribery:** The Thomases have raked in millions of dollars in gifts and donations, including free travel on yachts and corporate jets owned by Harlan Crow. Virginia received a half million from Crow and then laundered it through her company as salary. The Thomases enjoyed luxury stays at conservative events hosted by Charles and David Koch.
- **Corruption:** In 1991, Citizens United helped to put Thomas on the Supreme Court by spending at least \$100,000 on TV ads attacking Senators Kennedy, Biden and Cranston who were opposing his nomination. But Thomas did not disclose this when the *Citizens United vs FEC* case was heard by the Court in 2009. He and his wife then used the Citizens United decision to enrich themselves.
- **False Statements:** For 20 years, Thomas lied on federal financial disclosure forms by stating that his wife did not receive any income from work at places such as the Heritage Foundation, when in fact she received salary of well over a million dollars.
